

## HIDDEN FALLS RETREAT

### COVID-19 Statement

#### **Social Distancing and Group Size:**

Hidden Falls Retreat is accessed via keyless entry, which requires no interaction beyond your immediate travel group.

Our maximum group size is 6 adults, which meets the required group size of 10 or less.

We as owners manage the entire property, including the maintenance and cleaning; we do not hire external staff, limiting the cabin space to only the two of us during cleaning and maintenance.

#### **Cleaning:**

We are controlling our methods and products according to CDC guidance by:

- Setting at minimum a 24 hour window between guest departure and cabin turnover.
- Wearing nitrile exam gloves and masks.
- Using EPA-approved Lysol-brand disinfectant and toilet bowl cleaner on all bathroom surfaces, including showers and handles, sinks and faucets, toilets, and floors.
- Using EPA-approved Clorox-brand solution on all kitchen surfaces, including countertops, appliances and handles, sinks and faucets.
- Washing linens in hot water with Tide and Borax (160 degrees+).
- Draining and sanitizing the hot tub with chlorine.
- Providing hand sanitizer for guests during their stay.

While we can be as thorough as possible, please continue to practice the CDC recommendations of 6 feet of social distancing and wearing masks should you choose to go out, cancelling if you are experiencing any symptoms, and frequently washing hands. We wish for everyone to remain responsibly cautious during this time in order to limit the spread.

Should you find that you or any of your guests have acquired COVID-19, please notify us immediately at [hiddenfallsrockbridge@gmail.com](mailto:hiddenfallsrockbridge@gmail.com).
